The student’s driving schedule will be arranged with their instructor at the first class session. Driving times will occur at various times to accommodate the availability of the instructor and the needs of the students. Driving will extend beyond the final classroom date and may include weekends.

All of the classes are state certified and include a minimum 30 hours of classroom instruction and 6 hours of actual on-street driving.

Please turn in the registration form along with payment at Abraham Lincoln HS or Thomas Jefferson HS. Student’s fees are \$360.00. A \$10 surcharge per student will be assessed if fuel goes over \$3.49.9 a gallon.

You will receive a confirmation letter, giving you specific details about the class approximately 2 weeks before the classes begin.
