Medication	Dosage	Times	Reason

Doctor's Name _____ Phone _____

Summer Exploration Discipline Policy

Summer Exploration will be a fun-filled and challenging learning experience for students. To ensure that all students are safe and able to learn, the same behavior appropriate during the regular school year will be expected. Students are expected to treat all staff and students at school with respect, as well as respect the property of others, while demonstrating safe and appropriate behavior in and about the school. To assist students in developing desirable behavior habits, educators will provide an environment that is safe, positive, and challenging. Parents/guardians will be kept informed of any concerns and will be asked to partner with the school in helping their children learn to make good choices. The District's Code of Conduct remains in effect during the Summer Exploration Program. A copy of this was provided to you during the school year; however, if you would like an additional copy, one will be provided to you.

Your signature acknowledges that you have read and understand the expectations of behavior during the Summer Exploration program and that all areas of the District Code of Conduct apply.

Parent/Guardian Signature _____ **Date** _____
