

Summer Learning Middle School Program 2009 Council Bluffs Community School District

What: Summer Enrichment in Reading

This five week half-day program is designed to reinforce the reading and writing skills students have developed during the school year. Students will take part in fun activities and lessons designed to build and extend reading and writing skills, such as multi-syllabic vocabulary, types of writing and the writing process.

Summer Enrichment in Math

This five week half-day program is designed to reinforce the math skills students have developed during the school year. Students will take part in fun activities and lessons designed to build and extend math skills, such as computation, number sense and problem solving.

When: June 1 – July 2
Monday to Thursday

Where: Wilson Junior High
715 N. 21st St

Who: Students in grades 7 & 8 during the
2008 – 2009 school year
