## Spotlight on...

### End of the Year Information:

#### Bicycle Policy...

Students are allowed to ride bicycles to school. Bicycles must be walked to and from the racks while on school property. A bicycle lock is highly recommended as the school is not liable for lost, damaged, or stolen bicycles

---

#### Arrival/Dismissal Procedures

With the nice weather we have students coming to school too early. **Students should not arrive at school before 8:45 unless they are eating breakfast which starts at 8:15. Once students arrive on school property they must line up at the door. They may not play on the playground.** After school students are not allowed to play on school grounds unless they are accompanied by an adult.

---

#### Dress Code...

Just a reminder as the weather becomes warmer that students may not wear tank tops, muscle shirts, spaghetti straps, etc. The area between the neckline and outer shoulders must be fully covered by fabric. Skirts, skorts, and shorts must extend to mid-thigh when standing. If you have questions about the Dress Code please refer to your Student and Family Handbook.
