

We achieve more at

Lewis & Clark Elementary School

We are proud to have you join us as an Explorer! Each day our students, staff and families work as a team to Explore Greatness and ensure the best quality education for all.

GO Explorers!

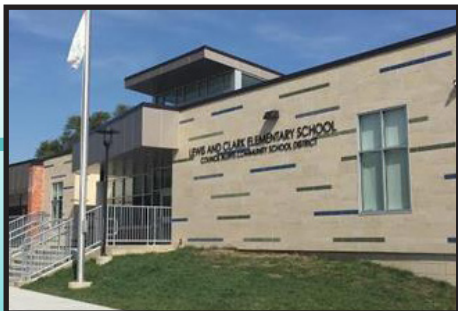

American National Bank opens a student banking branch at Lewis & Clark Elementary.

Lewis & Clark students learning about electricity & coding!

There are so many ways to Explore your Greatness at Lewis & Clark:

- We recognize students weekly with Way to Go tickets and quarterly with positive behavior awards for displaying Respectful, Responsible, Safe & Caring behavior.
- Our active Booster Club offers many family engagement opportunities. They also sponsor field trips and classroom supplies. Everyone is welcome to participate!
- Safety is a priority. We do regular drills to ensure we are prepared for any safety hazard that may arise. Our staff is diligent to keep all doors locked and follow safety protocols.
- We have extra curricular opportunities: HERO Club, Student Council, Technology Club, Recycling Club, Craft Club and Gardening Club!
- Monthly reading logs are sent home. We know that reading just 20 minutes a day can make a world of educational difference. Students reading over 500 minutes join the 500 minute club and get recognized.
- Attendance matters at Lewis & Clark. We have a traveling class attendance trophy and quarterly perfect attendance winners. #BeHere #EveryDayMatters
- We offer Student Banking at Lewis & Clark. Starting good saving habits early can create positive habits for the future.
- We are trauma informed and know ways to help students be regulated and ready to learn.
